PowerShield

Centurion RT 2000VA/1800W

UPPS-PSCERT2000

High-density online protection for mission-critical servers, networks and infrastructure.

- True online double-conversion power protection
- 0.9 output power factor delivers more usable power
- Rack/tower design, hot-swappable batteries and generator compatibility

Up to 98% efficient in Advanced ECO Mode

$2,809

PowerShield

Defender 1600VA/ 960W UPS

UPPS-D1600VA

$529

Reliable, quiet power protection for workstations, gaming, NAS and home-office equipment.

- Automatic Voltage Regulation stabilises fluctuating mains power
- Silent fanless operation for noise-sensitive spaces
- LCD status display, USB monitoring and user-replaceable batteries

Quiet confidence for work, play and connected storage.

PowerShield

Defender RackMount 800VA/480W

UPPS-PSDR800

$599

Compact rack power protection purpose-built for shallow communications cabinets and NAS installations.

- Shallow 2RU rackmount design: only 230 mm deep
- AVR and strong surge protection guard connected equipment
- LCD status, USB monitoring and an intelligent communications slot

Rack-ready protection without the usual cabinet depth

PowerShield

Commander 2000VA/1800W

UPPS-PSCM2000

$1,649

Versatile pure sine wave protection with smart control for workstations, networks and security systems.

- Pure sine wave output supports sensitive and varied loads
- 0.9 output power factor delivers more usable capacity
- Smart AVR, ECO mode and programmable power management

Strong. Versatile. Always in command.

PowerShield

Centurion RT 1500VA/1350W

UPPS-PSCERT1500

$1,889

Compact true-online protection that delivers clean, continuous power for critical equipment.

- True online double-conversion power protection
- 0.9 output power factor delivers more usable power
- Rack/tower design, hot-swappable batteries and generator compatibility

Mission-critical protection in a compact 1500VA platform

PowerShield

Commander RT 2000VA/1800W

UPPS-CRT2000VA

$2,069

Flexible rack-or-tower protection for networking, telecom and other critical applications.

- Pure sine wave output for broad load compatibility
- Rack/tower convertible design fits changing environments
- Smart AVR, ECO mode and programmable power management

Up to 98% efficient operation in ECO Mode

PowerShield

Centurion RT 3000VA/2700W

UPPS-PSCERT3000

$3,639

High-capacity true-online protection for demanding servers, infrastructure and critical systems.

- True online double-conversion power protection
- 0.9 output power factor delivers up to 2700W
- Rack/tower design, hot-swappable batteries and generator compatibility

2700W of critical-load capacity

WatchGuard

Designed for small sites, branch offices and remote locations

Firebox T125 NWG-WGT125000

T125 appliance only; licence not included

- 1 × 2.5 GbE and 4 × 1 GbE RJ45 Ethernet ports
- Advanced threat protection with SD-WAN compatibility
- Local or WatchGuard Cloud management

$349

Designed for small sites, branch offices and remote locations

WatchGuard Endpoint Security Basic

Essential AI-powered endpoint protection with minimal management

- AI-powered protection blocks known and unknown malware
- Adaptive ransomware protection prevents malicious encryption
- Threats are blocked, isolated and cleaned up automatically

Starts at **$29**

Designed for MSP and multi-site scalability with very low alert volume

WatchGuard Endpoint Security 360

Autonomous zero trust endpoint detection and response

- Deny-by-default controls block untrusted applications
- Lateral movement containment limits attack spread
- Prevention, detection and automated response through one lightweight agent

Price Vary per User

Extends Firebox-aligned security controls to users wherever they work

WatchGuard FireCloud Internet Access

Cloud-delivered FWaaS and secure web gateway for remote and hybrid users

- Firewall-as-a-Service and secure web gateway protection
- Uniform network and remote-user policies managed in WatchGuard Cloud
- Global points of presence reduce VPN backhauling

Starts at **$79**

Offers and prices are available until 31/12/2026 or until stocks last. Details correct at time of printing. We reserve the right to correct errors/or misprints and to change product specifications. Stocks may vary from store to store. Delivery may be slightly longer in some country areas due to courier delays. Freight charges may apply in some country areas. Onsite Warranty only covers systems (excludes peripherals and software). 12-24 months return base warranty on notebooks, extended warranty available. 12 month warranty on batteries in notebooks and tablets. Prices may subject to change without notice. E&EO. Pictures are only for illustrative purposes. Supplied product may appear different. Actual colours may vary slightly to printed colour. Accessories are for display purposes only and are not included unless specifically nominated. All products are advertised in good faith and will be available except in circumstances beyond our control. Despite our careful planning, we apologise if selected items may sell out quickly due to unexpected high demand. Intel NUC's are barebone units only and require storage and memory to be added.
